7. **LIMITED WARRANTY:**

A. **General.** Subject to the limitations and disclaimers below, Licensor warrants to the original licensee that (a) the accompanying Software media is free from defects in materials and workmanship when delivered to you; and (b) the Software when properly installed in an operating environment meeting Licensor's specifications, will operate substantially in accordance with the descriptions in the Documentation for a period of ninety (90) days from the date of delivery to the original licensee (the "Warranty Period"). The duration of any implied warranties is also limited to the Warranty Period, but some states do not allow limitations on duration of an implied warranty, so this limitation may not apply to you. This warranty gives you specific legal rights; you may have others, which vary from state to state.

B. Disclaimer. EXCEPT AS PROVIDED ABOVE, THE SOFTWARE IS PROVIDED "AS IS" WITHOUT ANY WARRANTY OF ANY KIND, EXPRESSED OR IMPLIED, AND NEITHER LICENSOR NOR ITS DISTRIBUTORS OR DEALERS WARRANT, GUARANTEE, OR MAKE ANY REPRESENTATIONS CONCERNING THE USE, USEFULNESS, RESULTS OF USE, OF THE SOFTWARE OR DOCUMENTATION OR AS TO THE CORRECTNESS, ACCURACY, OR RELIABILITY OF THE SOFTWARE OR ANY RESULTS GENERATED BY THE SOFTWARE. IT IS YOUR RESPONSIBILITY TO CHOOSE SOFTWARE THAT MEETS YOUR COMPUTING NEEDS, AND YOU BEAR THE ENTIRE RISK AS TO THE PERFORMANCE AND RESULTS OF THE SOFTWARE AND OF ITS SUITABILITY FOR YOUR INTENDED USE.

C. Assumption of Risk. LICENSEE ACKNOWLEDGES THAT THE SOFTWARE IS INTENDED ONLY AS AN ORGANIZATIONAL AND REFERENCE TOOL. LICENSEE ACKNOWLEDGES THAT THE RISK ASSESSMENT GENERATED BY THE SOFTWARE MAY NOT GIVE A HIGH RANKING TO, OR ACCURATELY PREDICT THE LEVEL OF RISK LICENSEE ACTUALLY HAS. THIS DEFICIENCY MAY RESULT FROM ONE OF A NUMBER OF POSSIBLE CAUSES, SUCH AS CHANGES IN KNOWLEDGE SINCE THE SOFTWARE WAS DEVELOPED OR BECAUSE OF USER, COMPUTER OR HUMAN ERROR IN DESIGNING, PRODUCING, MANUFACTURING, OR USING THE SOFTWARE, OR BECAUSE OF SOME OTHER REASONS. BECAUSE OF THESE FACTORS, THE SOFTWARE SHOULD BE USED ONLY AS A REFERENCE TOOL SIMILAR TO THE USE OF A TEXTBOOK OR A JOURNAL ARTICLE, AND SHOULD NOT BE GIVEN UNDUE WEIGHT IN MAKING DECISIONS ABOUT YEAR 2000 EXPOSURE. THE RESPONSIBILITY FOR ALL DECISIONS RESTS SOLELY WITH LICENSEE.

D. Limited Remedy. Your exclusive remedy, and Licensor's entire and sole responsibility and liability, shall be, at Licensor's option, either (a) replacement of the disk or Software that does not conform to the limited warranty with a disk or Software that does conform; or (b) termination of this License Agreement and refund of your license fee upon surrender of the Software and Documentation and all copies thereof, with dated original proof of purchase, within the Warranty Period.

E. Exclusion of Implied Warranties and Other Representations. The above Warranty is IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, including without limitation the implied warranties of FITNESS FOR A PARTICULAR PURPOSE AND MERCHANTABILITY. No oral or written representation, statements, advice or advertisements by Licensor, or its dealers or distributors, or their agents or employees, constitute any warranty or modification of the foregoing disclaimer and limited warranty, and you are hereby notified that no such party has any authority to make any such modifications, or additional warranties.

F. Limitation of Liability. You agree that neither Licensor nor any other person involved in the development, marketing, production or delivery of the Software or the Documentation shall have any liability for direct, indirect, special, incidental or consequential damages (including damages for loss of profits, business interruption, data loss, damage to equipment, failure to realize expected savings, or the like), regardless of the legal basis for such liability, even if Licensor or such other party has been advised of the possibility of such damages. Some states do not allow the exclusion of liability for consequential damages, so the above limitation may not apply to you.

8. Governing Law. The United States Copyright Act and international treaties apply to the Software and the Documentation, and federal procurement laws govern licensing to the United States Government. Otherwise, this License Agreement, including the limited warranty, disclaimers and limitations of liability and remedies, are governed by the laws of the State of Florida.
